2026-27: KICKING OFF OUR MOST AMBITIOUS YEAR YET!

Get ready for an action-packed year of epic outdoor adventures, hands-on learning, and unforgettable family memories with Pack 269!

Three Epic Overnight Adventures!

This year, we have three exciting overnights planned! We'll enjoy our Fall Campout at Garin Regional Park in October (with optional day camp), an indoor adventure at the California Academy of Sciences in March, and our two-night Graduation Campout in May to celebrate our scouts' achievements.

WHAT CUB SCOUTS IS ABOUT

From big overnight pack trips to small local den adventures, camping in a tent to building a pinewood derby car, trying new things and playing sports to learning STEM, there's truly something for everyone to do and enjoy in Cub Scouts. Bring the whole family to participate in activities with you!

Action-Packed Monthly Fun

The adventure continues all year! Join us for monthly pack hikes to explore our local trails. Get hands-on with fun woodworking projects, like building a birdhouse. Plus, get ready for some friendly competition: scouts will design and race their own cars in the annual Pinewood Derby and sail to victory in the Raingutter Regatta!

We also support our neighborhood through our annual food drive, an interfaith prayer hike, and environmentally conscious activities for Earth Day.
