SPRING RECAP: SCIENCE, NATURE, & FRIENDS

We're excited to share some of the highlights and enthusiasm, we reached new goals and created great memories. We couldn't have done it without you!

March 28-29: Cosmic Camp-In At Chabot Science Center

Our scouts had an out-of-this-world experience at the Chabot Space & Science Center overnight event.

We saw a show at the planetarium, created our own comet from scratch, and got to gaze at the stars with the big telescopes!

WHAT CUB SCOUTS IS ABOUT

From big overnight pack trips to small local den adventures, camping in a tent to building a pinewood derby car, trying new things and playing sports to learning STEM, there's truly something for everyone to do and enjoy in Cub Scouts. Bring the whole family to participate in activities with you!

April 15: Night Hike at the Nursery

We took to the trails for a twilight trek through the historic nursery park, blending a little local history with outdoor exploration! Sadly, the hooting owls managed to elude us this evening, but it just gives us a great reason to plan another night hike soon.

UPCOMING EVENTS

We've closed the books on 2025-2026, but there are several activities over the summer from local council!

May 14-16: Graduation Camp at Mount Madonna

We had an amazing weekend at Mt. Madonna County Park, celebrating all the hard work our Scouts put in to advance to their next ranks.

We hit the trails for a geocaching hike, explored the redwoods using the buddy system, and roasted marshmallows by the campfire!

June 8-12: [Mission Peak Day Camp](#)

Held Ardenwood Farm, this daytime camp is packed with traditional Scouting fun, including archery, nature hikes, crafts, games, and STEM challenges.

June 26-28: [Wolf & Bear Camp](#)

A two-night weekend camping program tailored specifically for mid-level Cub Scouts featuring coached target sports like Archery and BB guns, nature exploration and crafts.

July 26-30: [Webelos & AOL Camp](#)

Adventure Camp offers Webelos and Arrow of Light scouts a space-themed, fun-filled experience with daytime activities and evening campfires designed to prepare them for Scouts BSA summer camp life.
